CERTIFICATE OF APPRECIATION

To whom so ever concerned

M/s UNIVERSAL METALTEK, Greater Noida has been into the business of Honeycomb Cores and Panels under the brand name HONYLITE®. They are the premier manufacturer of several types of composite panels specializing in aluminium honeycomb cores and aluminium honeycomb panels.

They are mainly engaged in development and manufacturing of Light Weight Advance Composite Materials based sandwich panels for Railways, Marine, Aerospace and Defense sector. They have been regularly supplying sandwich panels with Aluminium Honey comb core and face sheets to SAC, Ahmedabad (ISRO) with timely delivery of their products. The quality and performance of Honeycomb Cores and Panels supplied by them are always found good and at par with international manufacturers. They have also taken lot of interest in development of various sizes of boxes / containers for carrying delicate components.

The firm is always willing to accept challenges to develop the products as import substitution and having strong belief in MAKE IN INDIA.
